Citrin	March 3, 2025	Sewer-system improvements authorization	Up to \$650,000	Adopted by the Citrin Board
Citrin	March 3, 2025	Water-system improvements authorization	Up to \$4,500,000	Received three affirmative votes; Trustee Paul Brooke voted against and Trustee Charles Turner was absent; required supermajority was not obtained
Citrin	March 10, 2025	Water-system improvements reconsidered	Up to \$4,500,000	New serial-bond resolution adopted with a 40-year period of probable usefulness

Financial interpretation

The three named authorizations total \$5.4 million. They were authorizations adopted by the Citrin Board in March 2025.

Term	Meaning
Authorization	Legal authority to issue debt up to a stated ceiling
Issuance	Bonds or notes actually sold or otherwise placed
Contracting	A contract or purchase commitment entered for the project
Expenditure	Money actually paid or accrued for completed work, goods, or services

A bond resolution does not, by itself, establish that the entire authorized amount was issued, contracted, or spent. It also does not establish the project's final cost.
